

## **CVEATC Vehicle & Parking Policy**

### **Rules for driving and parking at the Chula Vista Elite Athlete Training Center.**

Driving any vehicle on the Chula Vista Elite Athlete Training Center site is a privilege. For the convenience and safety of all athletes, coaches, staff and guests, the following driving and parking rules are always in effect. In order to operate a motor vehicle, golf cart or other motorized equipment on the CVEATC site, this policy must be read, signed and submitted to Guest Services at the Athlete Check-In desk or to Security.

Driving and parking rules are strictly enforced. Suspension of driving privileges, towing of a vehicle at the owner's expense, and/or suspension from the site may occur when these rules are violated.

#### **DRIVING:**

1. All drivers on site must have a valid driver license and be covered by insurance in compliance with California law.
2. Speed on the CVEATC is to be kept at or below 15 mph and drivers must always operate their vehicles with due care and caution.
3. Drivers must obey all traffic control signs and markings on site.
4. Using mobile phones while driving on site must be hands free; texting and driving is always prohibited.
5. Driving on the Olympic Path is generally prohibited except for golf carts or by pre-approval from CVEATC management.
6. Driving any vehicle or golf cart onto playing fields is prohibited without prior approval from CVEATC management. Driving across islands, curbs, pedestrian walkways or on dirt or grass areas and is not allowed.
7. All drivers must follow the direction of staff, security, and/or police directing traffic.
8. Inappropriate or dangerous driving will result in the loss of driving and/or parking privileges on the CVEATC site. This determination is at the sole discretion of CVEATC management.
9. These same rules apply to anyone on site who operates a golf cart or any other motorized equipment (tractors, forklifts, boom lifts, etc.—additional specialized training may be required before operating this equipment on CVEATC property). Additionally, drivers may not allow more passengers than seating allows or more loading than safe.

#### **PARKING:**

1. Parking and driving on site is limited to those who have submitted this form in its entirety.
2. Vehicles must be currently registered and insured in compliance with California law.
3. While the CVEATC makes a concerted effort to maintain a safe and orderly environment, it is not responsible for damage or theft of a vehicle or its contents while parked on site or in the vicinity.
4. Drivers may not park in the Athlete Check-In courtyard except for temporary loading and unloading, or in other restricted parking areas.
